

APPLICANT AUTHORIZATION TO RELEASE AND DISCLOSE MEDICAL INFORMATION

By my signature I authorize GlaxoSmithKline, as well as McKesson Specialty Arizona Inc. (MSAZ) and any other companies that GlaxoSmithKline uses to administer Bridges to Access (the "Program"), to do the following:

- 1) Use any information that I provide in my application for the Program for the purpose of helping me receive GlaxoSmithKline products under the Program or to administer the program;
- 2) Receive and keep records of all prescriptions for the medications I receive under the Program, which will be used to administer the program;
- 3) Contact my doctor, healthcare provider, or pharmacist about my application for the Program, and disclose to them information contained in my application, in order to help me receive GlaxoSmithKline products under the Program and ensure that Program guidelines are being met;
- 4) Request information from my insurer, doctor, healthcare provider, or pharmacist about the prescribed medications I receive or will receive under the Program and about my medical condition. This information will be used only to determine my eligibility for the Program and to administer the Program. By signing below, I also authorize my insurer, doctor, healthcare provider, or pharmacist to release information about my prescribed medications and medical condition that is requested by GlaxoSmithKline, MSAZ or any company that GlaxoSmithKline uses to run the Program;
- 5) Contact my insurer, other potential funding sources, including the Centers for Medicare and Medicaid Services, social workers or patient advocacy organizations on my behalf in order to determine if I am eligible for health insurance coverage or other funds, and disclose to them information contained in my Program application or information about my prescribed medications and medical condition that has been provided by my physician, healthcare provider, or pharmacist;
- 6) Disclose any information obtained from the sources listed above to third parties if required by law.

I understand that this Authorization to Release and Disclose Medical Information will remain in effect for as long as I participate in the Program and for a period of 3 years after my participation in the Program ends.

I understand that my healthcare providers will not condition my medical treatment on my agreement to sign this Authorization to Release and Disclose Medical Information. I also understand that I have the right to revoke this authorization at any time by calling 1.866.PATIENT (1.866.728.4368) and mailing a signed written statement of my revocation to the Program. Such a revocation would end my eligibility to participate in the Program. Revoking this authorization will prohibit disclosures after the date written revocation is received, except to the extent that action has been taken in reliance on my authorization.

I understand that once medical information about me has been disclosed in reliance upon this Authorization, the information may no longer be protected by federal privacy laws and may be further disclosed.

I understand that GlaxoSmithKline does not charge a fee for participation in this Program. There is a copayment for each prescription filled at a retail pharmacy. If my advocate charges a fee for enrollment or refills of my medicine, this money is not paid to GlaxoSmithKline.

I certify that I am not enrolled in any Medicare plan that includes Part D drug coverage. Furthermore, I certify that the information provided in this application is complete and accurate to the best of my knowledge and agree to notify GlaxoSmithKline of any change in my insurance eligibility or financial status.
